When I am going to be up
When I grow up

I will be an inventor
and manufacturer of
my inventions. I have
even now an ability
to invent guns, tanks,
planes, explosives,
rocket-suits, magic
wands, or what have
you. If you don't
believe me, ask me
to invent some kind
of thing a n a j i g and
for 5¢ I will give you
the plans for it.
